

Add OACCD.TV to your Speed Dial!

Follow these 4 simple steps:

1

Using your **D-Link Remote**, select **'DIAL'** on your screen, then press **'ENTER'** on your remote.

2

From the Dial menu, use your remote to select **'ADD'** on the screen - press **'ENTER'** on your remote.

Using your remote, enter **'OACCD'** in the **NAME** box and **'OACCD.TV'** in the **ADDRESS** box. Arrow down to **'OK'** and press **'ENTER'** on your remote.

3

PRESSING ENTER ON YOUR REMOTE WILL OPEN A TEXT MENU FOR TYPING IN EACH INPUT BOX.

Now **'OACCD'** is on your speed dial list. Using your remote, arrow down to **OACCD** and press **'ENTER'**. You will automatically be connected to the next available video interpreter!.
