

# ALCOHOL OR DRUG SERVICES

Our Alcohol and Drug (AoD) services include: assessment, individual counseling, (AoD) outpatient group, aftercare group, and IOP services.

A licensed clinician will complete a diagnostic assessment and recommend the appropriate level of care. The goal of treatment is to gain insight into addiction issues and find healthy ways to treat addiction. Greenleaf utilizes Cognitive Behavioral Therapy (CBT) and treats co-occurring disorders.

## INTENSIVE OUTPATIENT PROGRAM (IOP)

Licensed clinicians provide assessment and treatment services. Groups meet for three hours, three days per week. Treatment is a minimum of 24 sessions and is followed up with a weekly aftercare group.

## AOD OUTPATIENT GROUP

For clients who are struggling with understanding addiction and its effects on their life. Groups meet for one hour a week for 12 weeks.

## AFTERCARE GROUP

Provided for individuals who have completed IOP or other treatment/recovery programs who would benefit from ongoing support to help maintain a recovery environment. Groups meet for one hour each week for a minimum of 8 weeks.

## INDIVIDUAL COUNSELING

All Alcohol or Drug Services also offer individual counseling sessions as needed.
