SUPER

Substance Use Prevention Education Resource (SUPER) is an indicated prevention program appropriate for those experiencing substance misuse whose AOD assessment does not meet the criteria for a substance abuse diagnosis.

The goal of SUPER is to provide education and skills to decrease the likelihood that substance misuse will rise to the level of abuse in the future.

SUPER is a one-time, 3-hour course that is free to the participant.

Topics include: Low-risk drinking guidelines, personal values, alcohol legal limits, AOD knowledge check, the eight dimensions of wellness, and outside resources.

For referral and scheduling information please contact our program coordinator, Renee Roe at RRenee@greenleafctr.org

Funded by a grant provided through

County of Summit

Alcohol, Drug Addiction & Mental Health Services Board
